

Caltech Student Shop Payment Form

Authorization to charge Personal account or make payment by check

I authorize the Caltech Student Shop designee to charge my personal account for payment of Student Shop dues.

Fees do not include damages caused by misuse. You may be held accountable for repairs or replacements due to misuse. Please refer to Student Shop Rules. If you do not have a Caltech ID card you will be issued an access card to gain entrance to the Shop. Please include \$2.50 in your total if paying by check. The card will be sent to you by mail. You will be responsible for replacement of the access card if lost or damaged. Please advise the Shop Supervisor if your card is lost or stolen as soon as possible.

Student Shop Dues are \$20.00 per academic term for current Caltech students. Must be a registered Undergraduate or Graduate student.

Caltech and JPL membership dues are \$30.00 per term or a discounted rate of \$80.00 per academic year. You may elect to pay shop dues for access to the Caltech Student shop for any integer number of terms, or you may elect to pay for the full year.

The “beginning of the year” is the first day of the first (Fall) academic term. If you wish to join mid-term, you will be billed for the current full term. You must re-submit this form at the beginning of every unpaid term or new year for continuing membership, or any time you re-join.

No refunds will be given once your account has been charged or payment has been deposited.

Please print clearly.

Full Name _____

Account Number (UID) _____

If paying by check make check payable to Caltech. _____
(Indicate amount paid and check number include \$2.50 if an access card is required)

Email Address _____
