

Caltech Student Shop Payment Form

Authorization to charge to a Student Account or Check Payment

I authorize the Caltech Student Shop designee to charge my personal account for payment of Student Shop dues.

Fees do not include damages caused by misuse. You may be held accountable for repairs or replacements due to misuse. Please refer to Student Shop Rules. If you do not have a Caltech ID card you will be issued an access card to gain entrance to the Shop. Please include \$2.50 in your total if paying by check. The card will be sent to you by mail. You will be responsible for replacement of the access card if lost or damaged. Please advise the Shop Supervisor if your card is lost or stolen as soon as possible.

Student Shop Dues are \$20.00 per academic quarter (including summer) for current Caltech students. Must be a registered Undergraduate or Graduate student.

Caltech and JPL non-student membership dues are \$30.00 per academic term or a discounted rate of \$80.00 per year. You may elect to pay shop dues for access to the Caltech Student shop for any number of terms, or you may elect to pay for the full year. You must pay for a whole term to have access for any part of that term.

If your member ship is set to expire or has expired, you must re-submit this form.

No refunds will be given once your account has been charged or payment has been deposited.

Please print clearly.
